I had the good fortune to work with Jean at FTA. Her happy disposition and positive attitude were present everyday. She taught me to be a better team player and look for the positive in all situations. I will smile every time I think of her. Rest now dear lady. My condolences to her family.

My condolences to the family on the loss of your loved one. Ms. Jean was one of the first people I meant at FTA and always greeted me with a smile and caring attitude. We checked on each other regularly and had the best conversations ever throughout the years until she retired. The things she told and taught me, will never be forgotten. She had a beautiful spirit inside and out. She's with God now so rest in peace Ms. Jean until we meet again.

Ms. Jean was one of the best people I have ever had the pleasure to work with. She was a treasure. I'm grateful for the time that we have spent together and learned more than my fair share from her about being a good person and a teammate. Hugs to the family.
