We are so sorry to learn of Mrs Boone passing. We delivered meals on wheels to her for the last 6-7 years on Mondays. We were "her girls". We loved her so much we visited every week, even when she didn't get meals. She was such a sweet caring person and she is already missed. Sandy, Debbie and Christine

I am so sorry to learn of Doris's passing. My husband Rowland worked with her at the Maryland Tax Returns office many years ago. He thought she was a wonderful lady. When it was cold, raining or snowing he would have her stay at the building and then get his car and pick her up and drive her to hers. I eventually got to meet her and found her to be a kind and caring person. She gave me a Pumpkin spice cake and later the recipe which I made for this Christmas in the mini tins. We went to the funeral home when her son passed. She was very special. May God comfort those she left behind

We are very sorry to hear of Mrs. Boone's passing. We worked for Meals on Wheels for 19 years and served her every Thursday and Friday. She was one of our nicest clients. A very sweet and pleasant person. Sam and Hazel Liff
