Steve and I are so very grateful for the love and friendship that we have shared with Paul and Ellen for several decades. We will dearly miss Paul's sense of humor and spending time eating crabs and drinking beer with both of them. Thank you Paul for the wonderful memories and for always having a chilled glass to accompany an equally chilled beer. We will always smile when we think of you. Love,Diane Kuwamura and Steve Perry

I taught with Paul in the early 1970's . He was a great U. S. History teacher at both Charles Carroll and Friendly . He loved the the Orioles and the Baltimore Colts. He was heart broken when they left in the middle of the night. He always teased me about liking the Redskins. Four of us teachers shared rides from Crofton to Charles Carroll each day . The good times we had going and coming home from school were some of the best days of my life. I am so lucky to have known Paul.

Paul taught history in a connecting room at Friendly HS for 9 years. I would open the door when it was my planning period and listen to his lectures. They were wonderful. They were very lucky students who had Mr Miller as a history teacher.
