Ule Leon Alexander Sr.

FEB 9, 1939 - JAN 15, 2022

Ule Leon Alexander Sr. was born February 9, 1939, in Mayo, Maryland, to the late Calvin Lee Alexander and Helen Louise Alexander. He entered eternal life on Saturday, January 15, 2022.

He was joined in marriage to the late Thelma Jean Boston Alexander in January 1960. Their union was blessed with five children: Vincent Leon Alexander (predeceased in death October 2019), Tina Alexander Proctor (Patrick), Calvin Lee Alexander, Gail L. Saunders, and Ule Leon Alexander, Jr. He was also blessed with two grandchildren, Brandi Leigh Alexander and Dominic Joseph Alexander; and two great grandchildren, Malayah Rayne Alexander and Maddex Riyan Alexander.

Ule began his Christian walk at a very early age at St. Marks United Methodist Church in Mayo Maryland. He lived a full life; he enjoyed his early morning coffee and routine morning calls with friends and family. He thoroughly enjoyed socializing and he never met a stranger. He also loved to cook and bake; his rum cakes and Italian dishes will live on into eternity.

We will miss his "how-to" instructions when we needed his guidance and his "can-do" spirit. We will continue to celebrate his strength and willpower that helped build and mold all his children. Ule was preceded in death by his five brothers, David (Shirley), Joseph, Howard (Gladys), Paul and Londell Alexander. He leaves to cherish in memory two sisters, Gertrude P Colbert of Clarksville Tennessee; Elois Alexander of Annapolis, Maryland; and two brothers; Franklin D. (Mabel) and Dean Alexander of Annapolis, Maryland.

A viewing will be held at Lasting Tributes from 10:00 am-12:00 pm at Lasting Tributes on Wednesday, January 26, 2022. There will be no service.

Dear Pop - you may not see this but in spirit I know you hear me. I am so sorry this happened; I had no intention on burying you so soon! I don't even think you were ready; I wasn't ready...the family wasn't ready! Who will be there to tell me how to unclog a toilet or harass me about getting my tires changed. Who will teach me how to know when a turkey is finished cooking or tell me I over salted the greens?! You told me you were gonna go after Layah gets married because you knew that would never happen with me haha. I'll miss our every day calls, long stories that I took for granted. I'm still trying to understand why this happened! But I won't question God; he took you to be with the greatest people of all time! I will forever love you and miss you! Love - ya lil stinker

Mr. Ule, we visited every week for almost 12 years. Then, when I moved to Florida, we spoke by phone regularly and I still got the chance to visit you in Annapolis a couple times. I cherished you as the "good buddy" you always called me, and I learned so much from listening to your insights on history, politics and life in general. I also took strength from how you persevered with your handicap, and your infectious, good humor. I still hear your voice, and hope that I hear it until I die. I hope your family takes comfort from knowing your love and that you lived life to the fullest. RIP, good buddy. Peter Seremet, Boynton Beach, FL
