# **Eleanora Portia "Pat" Chambers**

AUG 19, 1945 - JAN 25, 2022

**E**leanora Portia Chambers, beloved daughter of the late James and Bernice Chambers, was born on August 19, 1945, in Annapolis Md. She was the second of 10 siblings. On Tuesday January 25, 2022, Pat peacefully entered eternal rest at Anne Arundel General Hospital of Annapolis.

Eleanor, affectionately known by all as "Pat," was raised in the Parole Community of Annapolis, and later moved to Severna Park, Md. Pat received her formal education in the Anne Arundel County Public School System. She was a proud graduate of Wiley H. Bates High School, Class of 1963.

Pat began her employment at Fred's Restaurant in Annapolis. After a year, she searched for her professional desire. Pat's passion for caring for others led her to a career in nursing at North Arundel Hospital (Baltimore-Washington Medical Center). For 43 faithful years, Pat worked in the Cardio and Intensive Care units caring for patients as though they were her own faithfully. Numerous awards and citations were given to her for her leadership and dedication until her retirement in 2010.

Pat was an avid and gifted bowler. She bowled on various leagues five out of seven evenings per week from Odenton, Glen Burnie, Annapolis and Woodlawn. Pat was a true master on the lanes. She was an active member of the 600 and 700 club, WIBC (Women's International Bowling Congress), and the traveling club for forty years. In 1990, Pat received one of the highest achievements in bowling by being inducted into the Maryland Bowling Hall of Fame.

Pat also enjoyed gardening, nature and all sports. She loved to beautify the yard with her colorful flowers. In the back, Pat had the healthiest vegetable garden one would see. She proudly shared her vegetables with her family and friends. Whenever there was any type of sporting event on TV, you would find Pat watching and cheering on her favorite team every quarter and inning.

I first met Pat in 1968, when I started at North Arundel as a nursing assistant. Pat helped to train many of us as we became nursing assistants (PCT's) or also when we came aboard as very green RN's without the luxury of an orientation program. She was loved and respected by many. Mostly Pat loved what she did. She gave the best care to our patients. She made sure they were comfortable and cared for. She spent her last couple of weeks in hospice care. I only hope she was loved and cared for the way she loved and cared for all of her patients through all of her years at NAH/BWMC. We will miss you Pat
