Bob gave me the most precious gift in my life, our daughter Danielle. Over the years Bob and I traveled to different parts of the world Germany, Spain, Greece, Istanbul, Morocco, Hong Kong, and China. We learned to scuba dive together, visiting many Caribbean dive spots. He liked to share travel experiences with other and over the years we traveled with his parents and my mom. He researched everything before installing the hot tub he determined he wanted a traditional wood tub from California but we lived in Maryland and the first winter it froze. Thanks for the memories, Bob, but you left this world way too soon. Be at Peace knowing that I will continue to watch over Danielle and her family.

Bob, you were such a good friend and we will miss you. While growing up, you and Kay enjoyed traveling to Florida for summer vacations and in later years we all enjoyed beach activities, cruising and special occasion dinners and parties. Carol, our thoughts and prayers are with you and your family. The Harts
