My Hope Is Built on Nothing Less  
By Edward Mote

My hope is built on nothing less  
Than Jesus' blood and righteousness  
I dare not trust the sweetest frame  
But wholly lean on Jesus' name

### CHORUS

On Christ the solid Rock I stand  
All other ground is sinking sand  
All other ground is sinking sand

When darkness hides His lovely face  
I rest on His unchanging grace

---

In every high and stormy gale  
My anchor holds within the veil

His oath. His covenant, His blood  
Support me in the whelming flood  
When all around my soul gives way  
He then is all my hope and stay

When He shall come with trumpet sound  
Oh may I then in Him be found  
Dressed in His righteousness alone  
Faultless to stand before the throne

~ Life Reflections ~

Larry Clay Turner, Sr., affectionately known as “Butch”, was the first-born child of Bessie and the late Harold C. Turner, Sr. He was born on September 23, 1950. On February 8, 2022, he made the transition to be with his Heavenly Father.

Butch received his education in the Anne Arundel County School System. He was employed with the Maryland Transportation Authority until his illness.

Butch was a man of many talents. He loved grilling and gardening. He was known to keep an immaculate yard. Instead of calling a contractor, landscaper, or mechanic, Butch would find creative ways to fix it himself. Anyone who had the pleasure of knowing Butch, knew he had a passion for working on automobiles. He would buy used vehicles and rebuild them to his own specifications.

Butch met the love of his life Elaina Butler and proposed to her declaring “Lets grow old together” and they were joined in holy matrimony on January 1, 1995. They built a foundation and had been making memories ever since. This union was unbreakable as they were never far from each other’s side. Butch loved when he and Elaina would travel cross country to various county fairs and parks. He enjoyed the trips to Myrtle Beach, South Carolina to visit his daughter and grandchildren. If his daughter had a problem with her car, Butch was known to jump in his truck and drive to South Carolina to fix it. He wanted to make sure she was safe on the road.

Butch made it a point to be a great son and take care of his mom. He always made sure her grass was cut and her vehicles were in good working condition. He would go the extra mile in supplying her wood in preparation for the winter months.

Butch was preceded in death by his father Harold C. Turner, Sr.; brothers Charles and Stanley Turner, Sr., and sisters Beverly Burton, Evelyn “Gurdy” Gulley and Peggy Turner
