We will miss Richard's waves and smiles as we pass his house. He transformed our kitchen for us several years ago. From the beginning of the project, Richard was helpful and imaginative. We enjoyed working with him. He and his workers were courteous and cooperative. Richard spoke lovingly of his family. They meant everything to him. Ed and Cheri Gerard

Sorry to hear of Rich's passing. He sold us a great kitchen for our home on the shore and other work he did for us here at South Annapolis, and my late brothers home also. He was very kind and always responded to our questions or any concerns. The world of kitchen designs. quality products and a wealth of knowledge lost a wonderful person. Dan and Shelley Ross.
