Mr. Buddy, My sorrow at Bryan's passing is not something I can put into words. I wish my words could remove the sorrow of losing Bryan. However, there is a God who can do all things. A God who Can Blanket you with Comfort to ease the pain and swaddle your soul with peace and calm that only he can give. My heartfelt condolences and prayers go out to your family. Sleep In Paradise Bryan you will be truly missed.

Bryan.. Your fun-loving free spirit will be missed! I have watched you grow up from a little child to becoming a loving brother and son, an uncle and then a father yourself. You welcomed everyone, and your friendliness was contagious. You made everyone, including myself, feel like family. I admire the unconditional love and bond you had with your big sister as she gave you encouragement and watched over you during your childhood and throughout the years. You took great inspiration from your dad and followed your dreams with a passion for music and love of entertaining a crowd. You meant so much to so many people. I know you will be perched on a big fluffy cloud spinning your favorite records as we celebrate your life. You will forever be in our hearts. Buddy and Deyon... Our thoughts and prayers are with you. -Mary Jane Kowalchuk & Family
