Hello Anita and Family Great friends in P.S. High School. I have never forgotten you even though we haven't seen each other for over 60 years. You used to call me Zig and I used to call you Amo. I will always remember your Dad at his Market St shoe repairs. In those days we had to have the metal cleates put on all of our dress shoes. We were hot stuff. I also remember going to the SKD Fraternity Christmas Dance in the DuPont Hotel Gold Ball Room. At that time we were fraternity Brothers. We had lots of happiness together growing up in high school. My heartfelt condolences to Anita and Family. I will be praying for you Anita all of this day. We sure get old fast as I will be 87 in two weeks. Thank you Amo for the everlasting memories.
