# **Gregory Warren Hale, Sr.**

FEB 25, 1956 - OCT 3, 2022

**G**regory Warren Hale, Sr. was born to the late Parree Hale in Marianna, AR on February 25, 1956. He was the eldest son to his parents, Jimmie Hale Sr. and Parree Hale. Gregory, affectionately called Greg, was committed to God at an early age and that commitment became a lifetime mission.

Greg became a member of Fresh Start Church and was ordained a Pastor in 2019. He made a covenant with God in 2006, that if God would make it so that his family didn't have to worry about finances, he'd retire and devote his time to God.

He graduated from the Lee County School System, then joined the Air Force. Greg earned a MBA and a MS in Cyber Security. He later began his career with the Department of Defense where he later retired.

Greg's background included Electronic Engineering, Computer Science, and Computer Network Operations.

Greg was blessed with a large and loving family. He met and married Ardreine, whom he affectionately referred to as his "Barbie Doll", on December 17th 1993. To this union was born his baby girl, Ariana and his loving son, Gregory.

Prior to his marriage, Greg fathered his children, Natasha Hagans and Jasmin Hale.

Greg was a kind and giving person who loved God, his family, and friends. He laid the foundation in his children to know God, and everyday he showed them how much they meant to him. His siblings honored him as their older brother and he loved them with all his heart.

Greg will be truly missed by all.

Greg made you feel welcomed all the time. He always had a good word or story to share with you when you saw him. He was always laughing, he loved his family and adored his wife. We are truly going to miss him. We are going to miss his stories, we are going to miss his wealth of wisdom and knowledge that he always gave, but most importantly we are going to miss his presence. To his beautiful wife and children, we love you and we are praying that God's comfort and continued peace be with you not just for today but always. Love Carlton and Juanette Coates.

Gregory Sr was a very funny guy. I remember the time I teased him about being a spy. Especially after reading a book a book about a spy with the name Gregory Hale who worked for the same government agency he did. He said had also read the book and found it funny the the main character had his name. I asked if maybe he was a "spy". He said no. Then he told me if it was true now he had to kill me. We had many laughs about this book.

Memento moriGreg lived his life in regards to this saying. He lived his life to the best of his ability. He treated people as he wanted to be treated. He loved his family and had a strong belief and foundation with God. He knew that although everything must die that when he did, his work would be done to the best of his ability. We will always miss you. The Barber family
