I have wonderful memories of Karen when Michael and my daughter Ana were growing up. She was sweet and fun. The last time I saw her was at Michael's wedding and she was still the same sweet and fun Karen. I'm thankful for the opportunity to have seen her again after all those years. I'm sorry she had to struggle with her health this last year but find comfort in knowing that struggle is over and she is now at peace. I am praying for Michael, Kasey, her grandsons and the rest of her family during this time. Much love to all of you. Maria & Bob

I worked with Karen for many years at BOA. She was not only my manager but she was a dear friend. She took the time to not only talk with you but to listen and offer what she could to make your day better. She had a heart of gold and will be missed by so many who loved her. My deepest sympathy to Mike and her family. Wishing you comfort and peace to face the days ahead and loving memories to hold in your heart forever. Elaine Shepley

I met Karen in the ladies room about 30 minutes before Mike married my cousin, Kasey. I commented on how beautiful she looked, she said "thank you, I am the mother of the groom". She was so happy and so proud. I would see her whenever I visited my family because she soon became a honorary member of the McWilliams. I spent last Thanksgiving getting to know her better and having so much fun. I will miss her, she really was part of our family
