We are so sorry to hear of Sharon's passing. Sharon, Bob and the girls were very special neighbors to us as well many other couples in Country Club Estates. Our trips to Ocean City, Pennsylvania, cruises and especially all the dances and activities at the Club House were so special and memorable !Our children were very close and participated in many fun times together .Many times, especially during the holidays, we shared dinners and games which everyone looked forward to. Sharon was always upbeat and ready to go or do something special and fun. She was a good friend and will be deeply missed. Rest In Peace dear Sharon 🙏. Bruce and Sharon Neubert

Sharon was one of the kindest and most thoughtful coworkers I ever had the pleasure of working with. She was always thinking of others and bringing in treats to share. She was also an excellent Membership Director for ABYC, never taking no for an answer. I will always think of her fondly as our Office Mom. She will be missed.
