Colin Pillsbury Griffin

JAN 25, 1991 - NOV 10, 2022

Colin Pillsbury Griffin 31, of Annapolis left us unexpectedly on November 10, 2022.

He was a proud Annapolitan. Always involved in sports, he graduated from Annapolis High School in 2009. He loved being on the water, fishing and boating.

Colin pursued a career with a major electrical company and quickly worked his way into a supervisory position through a rigorous screening process. He had a tremendous work ethic, was a valued employee and was proud of his accomplishments.

Colin, always the light of the party wore a big smile and greeted with hugs and handshakes. Albeit carefree, he had a huge heart, loved deeply and was fiercely loyal to family and friends.

He was preceded in death by his grandparents and his father Donald Reid Griffin.

He is survived by his mother Missy Bergman (Ray), older brother Reid Lyons Griffin (Annie), his fiancée Christina Valente, two aunts Lisa (Michael Kowalski), Kathy (Bryan Brower). He left countless others who loved him and considered him family.

A gathering for family and friends will be held at Beacon Waterfront, 2020 Chesapeake Harbour Dr. E in Annapolis on Saturday, November 19, 2022 from 12-3pm.

Colin,Colin,Colin You will be missed my friend with your smile and energy that you bring to the job. Well I got a story that I will never forget. I'm big into music and one Friday Colin asked what I was doing over the weekend, I told him that Sue and I was going out to Pittsburg to have lunch with Kid Rock knowing he was a fan.He begged me to get his autograph. I told him that I have never asked him for his autograph and that we are like normal people. The hook was set .That weekend we did go to Pittsburg but not see kid rock. My wife and took a few pictures of us by the river with the bridges in the back ground. Now how do I pull this off . Thank god for photo shop. Found a picture of Kid Rock with his arm around Santa ,Perfect out goings Santa in comes me.Monday I was set first thing was to get Collin. Finding him up in his work area I Called him over pulling out my phone and showing him the photo . The look on his face will be something I will remember for ever. I will always remember you my friend. Rest In Peace. John

I remember the first time I met Colin over Alexa and Jimmys house. Instantly we hit it off. He kicked my ass in corn hole but then told me I was the coolest guy he'd ever met lol. He just had a way of making everyone around him feel good about themselves. Colin will be truly missed. I love you brother and if you need someone to workout up there in heaven my pops got you. To the family I love you all and there will be better days.
