Aunt Arie, Mike and I are sorry for loss. When I think of you and your family, it brings back the wonderful memories of the Christmas gatherings and hanging out in the basement with the kids. Not to mention the fun backyard graduations that we attended. Thank you for the great memories and plenty of laughs. Uncle Jay had a wicked sense of humor (he never missed a joke and always had a joke to tell). Our sincerest condolences, our thoughts are with you and your family at this time. Love, Mike and Karen Casey.

We had so many memories over the years. Cookouts in the back yard, parties where we drank and ate to much, dinner when the pizza got flipped upside down on the floor, lasagna dinners at my house, trips to Las Vegas, Atlantic City, Ocean City and many more great trips. I guess he and Dan are together now watching over me and Arie. I lost a great friend. JoAnne
