# Susan Marie Pazulski

JUN 1, 1963 - DEC 1, 2022

**S**usan “Sue” Marie Pazulski (Phillips), 59, of Wilmington, North Carolina, died on December 1, 2022, while bravely battling cancer. She was born on June 1, 1963, to the late Lois Phillips (Dickinson) and Robert Phillips, in Frankfurt, Germany.

Sue was raised in New Carrollton and was a 1981 graduate of Parkdale High School in Riverdale, Maryland. She excelled at softball and basketball, winning the basketball state championship her senior year. She worked as a respiratory therapist, for 38 years, at Prince George’s Hospital Center and Annapolis Asthma, Pulmonary and Sleep Specialists. She married her husband Joe in September of 1986. Together they raised their daughters in Severn, Maryland, before retiring and moving to Wilmington, North Carolina in 2020.

Her husband and daughters were everything to her. They will remember her bright smile, her contagious laughter and the way she lived her life with fierce love, selflessness and humor. Sue cherished her family and friends; she was a devoted wife, mother, sister, sister-in-law, aunt, godmother, cousin and friend. She enjoyed spending time outdoors (especially at Wrightsville Beach), kayaking, listening/dancing to 70s and 80s music and reading books. She was a renowned pierogi maker and an excellent moped driver. She loved walking her granddog Miller and enjoying a cold beer while watching the sun set. She was a member of St. Therese Catholic Church and Airlie Gardens.

She is survived by her husband Joseph Pazulski, daughters Stephanie Pazulski and Aniela Pazulski, brothers Robert Phillips, Paul Phillips and Jeffrey Phillips, sisters Karen Fawkes and Kathryn Nagy. As well as her extended family including many brother-in-laws, sister-in-laws, cousins, nieces, nephews and friends. Words cannot describe how greatly she will be missed.

A Catholic mass will be held at Our Lady of the Fields Roman Catholic Church (1070 Cecil Avenue South, Millersville, Maryland, 21108) on Saturday, December 10, 2022, at 1:00 p.m., followed by a celebration of life in her honor in the Parish Hall. Flowers may be sent to Our Lady of the Fields, or in lieu of flowers, contributions in her name may be donated to the The

I was saddened to hear belatedly of Sue's passing, just today. I knew her as Medical Director for many years at Prince George's Hospital Center. She was a compassionate and caring caregiver, always reliable and capable. Although shy, Sue was quick to call me when she discovered a patient not responding to treatment and needing further evaluation. Her kindness will be missed by future patients. Dr. Joe Colella

Joe, Steph and Annie, we just became aware about Sue. As others have said her incredible smile and sweet personality will always be remembered. As a family, you guys were always the best! Though your girls were always the most talented on the field or the court, you handled it all with such grace and class and were always so positive in every situation. I have always said the opportunity to coach Annie was the highlight! You always put your family first ahead of sports. I always respected that! We are praying and thinking of you all! To the Pazulski Family, My name is Valinda Parker and I was a teammate of Sue's when we won the state championship. She was an outstanding player, teammate and person! I too have many fond memories of those years. I'm not surprised that Sue lived such an impactful life. I'm standing next to her in the team picture to the left (#22). I'm forever grateful to have known Sue. May God's peace comfort your family during this difficult time.
