Paula Kay Davis

JAN 12, 1956 - DEC 11, 2022

Paula Kay Davis, age 66, passed away on December 11, 2022, at Anne Arundel Medical Center, at 7:07 am, with all three of her children by her side.

Paula is survived by her three children, Shelby, Crystal, and Caitlyn, 8 grandchildren, Elyjha, Nicholas, CJ, Jaelyn, Faith, Arabella, John, and Kingston, one sister, Sandy, two brothers, Billy and Duane, and a host of family and friends. She is preceded in death by her grandchild Brianna and her parents Pauline and William E. Moreland, now all in heaven.

Paula was born on January 12, 1956 in Annapolis, MD to parents Pauline and William E. Moreland. She graduated from Annapolis High School in 1975. Shortly after graduating, Paula married Jack W. Davis and the couple had three children together: Shelby, Crystal and Caitlyn.

During Paula's life, she was a loving mother who stayed at home and took care of her house. Paula kept our home spotless and you better not dare touch her walls! As her children grew older, Paula decided to venture out and start working. She worked with her sister Sandy and daughter Shelby at Pain Management Doctor in Annapolis, MD. The same way she was dedicated to her work, she was also dedicated to her grandchildren. She attended many games and sporting events.

Mimi, as her grandchildren would call her, always made sure she had time for them. If it wasn't a sleepover at her home in Lothian, it was a weekend getaway at the water park, Ocean City, or just McDonald's. At the sleepovers, the grandchildren always made sure to keep a smile on her face. Mimi would purchase tons of snacks for them, including whip cream, and somehow, by the end of the night, that would end up on Mimi's face. Although she never got mad at them, it was a memory she talked of often.

Paula was the most giving and caring person. As Paula's mother, Nanna as we all call her, started to feel ill, Paula took on the full responsibility of taking care of her. This just proved how much of a loving daughter she was.

Paula made sure everyone was doing well. She thought of everyone else before herself. Even in her last days, she always worried about her grandchildren. Paula never showed any pain.

Paula started to attend Weems Creek Baptist Church often after the passing of her granddaughter Bri, where she followed the Lord and found strength during her loss.

Paula believed in many signs of the afterlife. If you see a single penny, a butterfly, or a red cardinal, then you know she is giving you a sign that she is right there with you. Paula wanted to leave everyone with good memories. She would want everyone to celebrate her life and not mourn her death.

A Celebration of Life for Paula is scheduled for December 20, 2020 at Lasting Tributes, with a reception to follow that will be announced. All are welcome to attend Paula's Celebration of Life. The family would like to thank everyone for all the prayers, flowers, love, and support. Flowers and donations can be sent to her home: 508 Riverview Ct, Annapolis, MD 21401.

Paula is one of the strongest people i know. Life has not been easy for her but she never complained. Her family-daughters and grandchildren were always everything to her. She showed up everyday to work even when she was sick and was fighting her cancer the first time. Even when it came back she still fought and did not want to bother her family about how bad she felt at times. She is a good person, a righteous person and we ask why God takes good people like her? She did not have wealth and riches on earth but i am sure she will have it all in the kingdom of heaven. God bless us all. Bill & Susan Tham

Anna Valenova (Keicher) lit a candle in honor of Paula.

I can say so much about Paula as I've known her since I was 6 years old as I am one of Crystal's close friends. While I haven't seen her as much as I would have liked in the last 10 or so years, when I did see her it's as if no time went by in between. She gave me the same smile, the same hug, and the same "how you doing Anna?" with that wonderful laugh. The memories that I am about to list stick out to me the most, they may seem small to others but they are largely imprinted in my heart and those close to Paula may know what I mean and I hope they make you smile a bit. So, I spent much of my childhood spending the night at their house on the weekends, and without fail every morning Paula would come into the dark room at probably 5 am to vacuum. Crystal and I would moan and groan with the noise and Paula would just snicker and say she is almost done but I swear it lasted forever. I also have imprinted in my head from when I was young Paula's voice "get your hands off the walls, Anna". Paula sure loved a clean house and I often teased her that she was the neatest freak I knew ... in all jokes and love of course. I can't eat macaroni and cheese without black pepper because of her. Achy Breaky Heart reminds me of her, in fact, most country music does as I heard that playing loudly through the dining room most mornings. At one point Paula and my mom thought it was best to separate Crystal and I since we were "bad together", but they found out in about a week that it wouldn't work and I was embraced back into her life with fully open arms. She sent Crystal and I out on a blind double date once that went terribly bad and when we got home to tell her about it, the 3 of us laughed for hours. I can go on and on. However, what I will remember the most is that beautiful unique laugh, that beautiful smile, the ease of chatting with her like a friend, the inside jokes from younger days, and most of all the way she cared about everyone around her. Paula is loved by so many, and that shows you how wonderful she was. Heaven sure gained a beautiful spirit and I know that she is shining that same bright light down on her daughters, grandchildren, and all of her loved ones. I'll miss you Paula and I will always treasure my memories with you. To Paula's family, I am so very sorry for your loss and I love you all ❤️
