Sorry to hear of Sylvia's passing but I know in my heart she is really happy now. I loved her so much. She was my favorite sister-in-law. We had such good times. Sometimes we just looked at each other and started grinning knowing what the other one was thinking. My Christmas Card from her said you will always be my little sister. I love you also. So glad I have that card. Love you too Sylvia.

Dear Aunt Syl, I'm lost for words. So many memories of my childhood were our weekends in Port Tobacco with you, Grandma Larrick and Grandma Dewy. I remember dancing and singing in the basement the most. Thank you for trusting me with your and Katie's Baby Misty. I will take care of her to the best of my ability. We miss you very much and will remember you forever. I hope you found Katie and are resting well. Please watch over us. I love you, Melissa Tisinger

Great Grandma Dewey Larrick Lohr for me, you may be a different generation

Melissa, I am Mary. Debbie's Daughter. Chris' sister. I have memory July 4th of going in Annapolis and sharing a room with my Mom until my cousins showed up. We played in the garage with another girl our age. I remember the screened in porch. This was when Granddaddy was still alive so it's before 1992, probably 1991. Where you there? I was thinking about my brother said to be gone and a photo for the last family reunion before Grandmas Dewey death probably when I was in 4th Grade. Meaning we may have met at Great Grandmas funeral in Winchester. My Mom kissed her on her forehead. Aunt Sil favored Aunt Liz but loved my Brother a heart break she won't have to know.
