I met Sally the first day she came to junior high in West Chester we were in the same homeroom neighbors and in same classes. We became close friends that lasted thru the years Sometimes we spoke often and sometimes months went by with busy lives. Sally was a very honest thoughtful friend I am so happy to of had her in my life

Sally and I were cousins. Our parents were sister and brother. We lived together and then as very close neighbors for a period in 1945-1946 until her father got called back into service and she had to move away. We loved playing together then and have kept in touch ever since. I'll miss her.

Dear Andrew, Matt, Wendy & family, So sorry for the passing of your Mom. Sally is still being missed & on our minds at Oakland Hill Court. As friends & VP on BOD for many years, we worked together on many issues & projects. Sally was always so helpful & supportive in making BOD decisions. Even though you are still grieving your loss, I'm hoping things are going well for you. 🌻 Pat Wroten
