Clarence L. Blake

FEB 25, 1945 - FEB 24, 2023

Clarence L. Blake, 77, of Upper Marlboro, Maryland was called home to be with our Lord and Savior Jesus Christ, who is God Almighty, on Friday, February 24, 2023.

Clarence was born in Williamsburg, South Carolina, to the late Pearlise Blake and David Blake, Sr. Although South Carolina was his birthplace, he lived in North Carolina for much of his upbringing.

Clarence leaves to cherish his memory his loving wife, Frances D. Blake of 43 years; six younger siblings, daughters Marsha Woodland, Wilhelmina Fleet, Doris Brown (Thomas), Lendel Hough, seven grandchildren, eleven great-grandchildren, other relatives and friends.

Clarence was an honest man who took pride in his work and always kept his word. He was employed by DPI Specialty Foods as a driver for many years; after retirement he was employed by the United States Postal Service as a driver. Throughout his driving career of more than 30 years, he maintained a perfect driving record.

Psalm 61

Hear my cry, O God: attend unto my prayer.

From the end of the earth will I cry unto thee, when my heart is overwhelmed: lead me to the rock that is higher than I.

For thou hast been a shelter for me, and a strong tower from the enemy.

I will abide in thy tabernacle for ever:

I will trust in the covert of thy wings.

Selah

For thou, O God, hast heard my vows: thou hast given me the heritage of those that fear thy name.

Thou wilt prolong the king's life: and his years as many generations.

He shall abide before God for ever: O prepare mercy and truth, which may preserve him.

So will I sing praise unto thy name for ever, that I may daily perform my vows.

To my family and friends of my dad. Gods peace, strength and comfort I send to you. We have to respect and accept what god may allow to take place in our life. Remember we will see our love one again. We're all temporary passengers in this life. For everyone, everything there is a season. My heart aches, remembering the times I spent with my dad. The life lessons and advice he gave too me. Wich today I still live by. I already know we will see eachother again some day. I want to remember him being healthy, vibrant, happy and full of this life. Treasuring every moment God gave us to be together. Thank you dad for everything you did for me. Loving and caring so much for me. We may never fully understand why you had to leave at this time. But trust anyway, that the father above always knows what is best. Even when we don't. Dad you will be greatly missed and loved very much always. Thank you for teaching me how to work very hard and go after what matters most in this life. With all my love , Wilhemina.
