I considered Albert to be both a friend and a mentor for the four years I've been working at the marketplace. He was one of the many people who made me truly feel comfortable working there and I will always appreciate that. Albert was someone who would always share a laugh with you and also be someone who you could talk to about anything. The world is a dimmer place without him in it and he shall be dearly missed. My sincerest condolences to his family and friends. I'm gonna miss you, Mr. A- Jared
