To the family of Marsha Moore you have my deepest sympathy, it breaks my heart as well as my mother's that she will be missed, she was truly a magnificent friend, as well as my soul sister from another mother. When we first met we immediately clicked and became each others adopted siblings. Thru all my bad times as well as good times she was there as my rock. "Mister" I say to you that you made her truly happy and that you were her rock and that nothing was more important. She had the ability to make anyone she met feel like family and that no problem was more than you could handle. Working with her, Sumer, Jane, James, Tammy, Ed, Kibbey, John, Mishoe, Ernie. Chuck, Cheese and the rest of the gang at the Maryland Department of Legislation bill room and mail room crew was something to look forward to, never a dull day. Marsha you always made lemons in to lemonade. That part of you I will never forget and from that I will always cherish. I will miss our conversations and the laughter. We will meet again!!! Until then rest in peace. Love You Lawrence

Please know that you are being held up in prayer. We know she's with The Lord and we'll see her again. I can remember the many playful times we shared in Annapolis Gardens. She always had a wonderful disposition. She loved to laughed and enjoy life. She was an inspiration to me and so many others. She still lives on in each of us...
