Hardest working man I've met!! I called him uncle lewey he called me Patty. We kept in touch over the years he'd call to ask how I am / ("which woman are you with now Patty") But for some reason he talked on the phone with my mother longer than me. They talked about the music of the 50's 60's mostly became good phone friends. I would tease him im to old for a step dad! We both laughed!! I lost her in may of 2022 . I think Louis my mom and my pop's are upstairs hanging out listening to some good music and talking about this crazy boy!! He will be missed by many thoughts and prayers to the family , and the many friends he had!!
