Felix De Leon Rubio

JUN 15, 1948 - JUN 3, 2024

“It is with heavy hearts that we announce the passing of our beloved father Felix, who departed from this world on June 3, 2024. He was 75 years old.

Felix was more than a father, he was a beacon of love, wisdom and strength to all who knew him. His life was marked by integrity, kindness, and an unwavering dedication to his family and career.

Throughout his life, he embraced every challenge with courage and determination, leaving an indelible mark on the hearts of those around him.

As a father, Felix was a pillar of support and guidance, always offering words of encouragement and wisdom. He cherished his family above all else, and his love knew no bounds. He touched the lives of everyone in his family in immeasurable ways.

In addition to his role as a devoted father, Felix was a cherished friend, colleague, and mentor. His generosity knew no bounds, and he was always willing to lend a helping hand to those in need. His legacy of compassion and kindness will continue to inspire all who had the privilege of knowing him.

He leaves behind a legacy of love and compassion that will be cherished by his family and friends. Though he may no longer walk beside us, his spirit will live on in the countless lives he touched and the memories we hold dear.

A celebration of Felix' life will be held on June 10 at Lasting Tributes, Bestgate Rd in Annapolis.

Though we mourn his passing, we take comfort in knowing that Felix has found peace and may his soul rest in eternal peace with God.

Forever in our hearts, He will be deeply missed and fondly remembered.”

Felix Rubio was a loyal and dependable coworker and friend. As quick to lend a hand, knowledge or help he loved to take time to share a laugh, even during the most trying circumstances. His shift followed mine and I would often greet him with an introductory medley of, " C'mon down, you're the next contestant on the Wheel of Misfortune!" and we both would howl laughing! He was an especially kind and gentle soul and the world is a little more wanting in his absence. My sincere condolences are with his family and friends. May we all find the strength to sustain during this trying time. Thank you Felix for your friendship!
