Sis was a wonderful strong woman. Every time we ran into each other we would hug and catch up on what was going on. No matter how bad she felt she still kept going. Her children and grandchildren were her heartbeats. Her brothers and sisters were a source of happiness and strength. Sis you fought long and hard until the lord said... The house I have prepared for you is ready, for in my fathers there are many mansions. I know you are at peace now, but you will be missed. Sending love, hugs and prayers to the family at this difficult time. ❤️ 👤

Que and family, I am so so sorry for the loss of your wife, mother and grandmother. I will always remember the fun times we had, and those great conversations we had in the grocery stores.
