To my beautiful Auntie,You have always been there for me; words can't fully express how I feel about you. When my mother passed away, you assured me that you would support me as best as you could, and that brought me comfort. I promise to be there for your daughters. Rest in peace, the true matriarch of our family. Please tell my mom and the rest of the family on the other side that I love and miss them. Your nephew, Rodney Dillard
