Susan F. Meals

JAN 10, 1947 - MAY 12, 2025

Susan Fish Meals, 78, passed away peacefully on May 12, 2025, in Annapolis, Maryland after a long-term illness.

Born on January 10, 1947, in Belfast, Maine, to Mona and Leon Fish. Susan attended Belfast High School and the University of Maine. She married Charles Meals in 1966 and after a short time living in Laurel Maryland, they moved to England in 1969 with his job at the Dept. of Defense.

They were fortunate to travel extensively throughout Europe while living in Cheltenham but most importantly their first child Lauri was born there. After returning to the U.S. in 1973, Susan began her career as a Legal Secretary working for several law firms in the Annapolis/Severna Park area. They also expanded their family once again and welcomed their second child Michael in 1974.

In 1985, they moved again to Newport, Rhode Island where Susan continued her career as a paralegal and enjoyed being closer to her extended family in Maine. In the late 90's, she and Charlie once again took an assignment in Oahu, Hawaii where he spent 4 years serving as the representative to the Pacific Command.

While in Hawaii, Susan and Charlie traveled extensively again throughout Asia, Australia, and New Zealand. Susan dedicated much of her time hosting guests from home as well as Senior officials from throughout the Asia/Pacific region. After retirement, they bought a second home on Swan Lake just outside of Belfast, Maine and spent summers just across from her parents' family cottage.

She thoroughly enjoyed time there gardening and occasionally relaxing but always keeping her beach pristine and spotless. Above all, her most treasured moments were spending precious time with her beloved family especially her three grandchildren while they visited Maine as well as in Maryland where she was a loving supporter at every school function, performance, and sporting event.

Everette and I will always cherish times with Susan - especially travels in Europe and Susan learning German!!! Susan showing Everette "the ropes" in Hawaii.....meals out and special celebrations! Her smile was contagious and her fierce love for her family was evident in all she did. Sharing stories about our children and the grandkiddos was the best! She will never be forgotten and we are grateful for knowing her. Everette and Vicki Jordan

I met Sue when our boys, Michael, Butch and Terry were in preschool. Soon our families became great friends sharing many meals together, trips to Ocean City, Disney and the Poconos, Christmas morning breakfast and all the swim meets and parties with our Cape St. Claire Swim Club friends. I treasure these great memories and times shared. In love and sorrow to you Charlie, Lauri, Michael and Family, Sherman & Terrie Moon

So many fond memories from meeting in Hawaii and then visits together from Maine to England and Germany! But just so many good times right here in Maryland, especially with the Meals-Burns golf team on Bay Hills and beyond, always followed by clubhouse drinks and dinners at Rams Head Roadhouse or Chris's Charcoal pit.

She was always full of laughs and stories, would do anything for anyone. We sure will miss her. Here's hoping she's enjoying a cold bottle of corona light with a lime! Love to her beloved family, Jess and Dave ❤️

We miss Susan and her engaging smile whether out to dinner or on a golf course with Charlie. We remember running between golf holes in Rotunda in Florida trying to beat the sunset. Susan had a way of calming us down as we actually ran with our push carts! What a sight that must have been but we made it. Beers after the game and dinner with all the players in Venice were always special. Susan won our southwest Florida championship and she was ecstatic! With fond remembrance and love, Joe and Maria

Charlie and family We fondly remember all the good times in Hawaii with you and Susan. Whether that was at the golf course, a dinner at the top of the Ala Moana hotel, visiting at the Portlock estate or enjoying beers at the Brew Moon.
