# Michelle Margarita Miller Pascual

FEB 26, 1961 - JUL 13, 2025

**M**ichelle Margarita Miller-Pascual passed away on July 13th, 2025 leaving behind a legacy of love, warmth, and quiet strength.

Born on February 26th, 1961, in Trinidad and Tobago, Michelle was one of eight beloved children of Luevena Miller Porter. Her early years were filled with curiosity and adventure, including travels to places as remarkable as the Amazon. She had a deep fondness for reptiles—especially snakes—and shared with her father a love for the steel pan, particularly the song "Woman on the Bass."

Michelle's life was marked by courage, resilience, and unwavering love. She made the bold choice to move to the United States in pursuit of a better future for herself and her first son, Keone Miller. With the guidance of her mother, they built a life rooted in family, compassion, and care. While working at Roy Rogers, fate introduced her to her husband, Carlo Pascual—an encounter humorously marked by a humble pickle jar. Together, they created a home filled with warmth and love welcoming two more children—Reisa Pascual and Kevin Pascual.

A devoted mother and caregiver, Michelle spent several years as a Certified Nursing Assistant, compassionately tending to the elderly. Her nurturing spirit extended far beyond her profession; she was known for her motherly ways, her selfless nature, and her deep love for the simple pleasures in life. Following a workplace accident, she transitioned to being a stay-at-home mom.

Michelle never cared for glamour—salons, fashion trends, and luxuries were never her focus. Instead, she found joy in the everyday—caring for her loved ones including her nieces and nephews, sharing warm meals, and creating a home filled with comfort and care. Those who knew her will fondly remember her unmatched callaloo and the gentle, steady presence she brought into their lives.

Michelle's life was a testament to love in its purest, most enduring form. She will be deeply missed and forever cherished by all who had the blessing of knowing her.
