I had the honor to serve alongside at Marine Corps Recruit Depot San Diego with then, GySgt Michael J. Mullins who had returned for a second tour where he served as a Senior Drill Instructor, Chief Drill Instructor, and Regimental Drillmaster Mike poured his knowledge, experience, and passion into every Marine he worked with. His mentorship, especially to his fellow Drill Instructors, left a lasting mark on all of us. Michael was more than just a consummate professional — he was a joy to be around. Always full of laughter, always bringing energy to the room... and never turning down a plate of carne asada fries or a carne asada burrito. I have shared this sad news with our fellow Marines, and I know his absence will be felt deeply for years to come. Rest in peace, brother. We've got the watch!

I first met Mike and his Wonderful Mom when he was 3 years old and we lived next to each other in Allen's Apartments. Mike was my baby son's first friend. His Grandmother, Momma Rose would babysit my son from time to time. Although life took our families in different directions, I have never forgotten that happy little mischievous boy and his Wonderful Mother who happens to be one of my most cherished friends. Rest in Heaven Mike! I'm so proud that GOD allowed me to know you. My Love and prayers to your Family and Friends. May GOD continue to comfort you all.
