Bobby was a wonderful guy, he was funny and sweet. I met him when I worked at the police department and he worked for the fire department, he would always smile and have something to chat about. I will always have good memories of him.

Bobby is my cousin. He was big and intimidating to me. But whenever I ran into him somewhere in Annapolis, I would run and give him a great big hug. He would give me back a sweet, big, cuddly, bear hug! I'm praying for the whole family!
