Carol was our little gal that was bigger than life! Carol had a huge heart and was always full of endless energy! Whenever I wasn't feeling well she was at my door with one of her magical meals before I needed to ask! Gordon and Carol were two peas in a pod that we always loved hanging out with. She will be terribly missed by everyone. Love you so much Laura and Marty,

Carol was one of the kindest souls I ever had the pleasure to know. She had a quality where when you spoke to her, you knew that you mattered to her, and that you had her undivided attention. She made you feel special and valued. The world needs more people like her. I am so thankful to have known her.
