I extend my condolences and sympathy to the family and friends of Deborah. Deborah and her brother Gregory (RIP) were like sister and brother to our family as they often spent many nights at our home on Spa Rd, Annapolis. We had plenty of fun hanging out with great laughter and sometimes getting in good trouble. I thank God for allowing Deborah and I the opportunity to speak on the phone months back we laughs and spoke for a good while sharing old stories. To the family. Deborah will surely be missed by all. However, the memories that she leaves with us will last forever and her beautiful smile will always shine among us forever. RIP Deborah. Peace and Love, Curline and Michael Addison.
