My condolences go out to the family of Andrea. She was my classmate and friend for many years. I still have fond memories of our school days. We connected a few times over the years, which was always a time to reminisce and talk about family. She will surely be missed. Blessing to you, Tracey Downs

To the family of Andrea Dove, please accept my deepest sympathy, as you navigate through this difficult time. I first met Andrea when I started working in Traffic Processing, September 12, 2007. I was put next to her in the cubicle pod and she greeted me with her beautiful smile that made me feel welcome. We shared a few laughs about not being able to read traffic citations. Andrea was one of the few genuine people that I've had the honor to cross paths with. Rest in peace, Andrea.

You were 1 of the most genuine people that I've ever met. Always walking with a Bright cheerful Smile. I met you first at Traffic Processing Ctr. As we both grew and expanded our career, we both transition to District Court on Rowe Blvd. You would come through to pick up mail. Everyone that come across your path; You greeted with a smile. You always dressed So Nice. I missed seeing you; when apart of your office relocated. We always made conversation and shared a through that left behind laughter. What A Great Person to Know. It was a pleasure being apart of your Life span Journey. R.I.H.Telesia

She welcomed me with open arms when I arrived at HQ in Annapolis. She had the warmest personality. We shared a love for our moms and when my mom passed, she was there for me. She was so stylish, and I could not help but ask who did her hair. Thank you for introducing me to Fran. I miss your smile and just your being in the office. I never got to say it, but I love you Andrea and I will truly miss you.
