Debbie, I am so very sorry for your loss! You and the family have my deepest sympathies and condolences. I've known Tut since basically a kid I guess. And when we worked together at AAP, we used to have a blast!! He could make the worst of days, seem like child's play, and your mood always changed, and you could laugh about it. You surely will be missed!!! You always had my back and looked out for me. May you Rest In Paradise now!!! I'll see you on the other side. 🙏
