Angela Juanita Hasty

DEC 5, 1953 - MAR 11, 2026

Angela Juanita Hasty, age 72, passed away at her home in Crownsville, Maryland on March 11, 2026. She was born on December 5, 1953 to Paul Deese and Virginia Juanita (Morris) Deese in Monroe, North Carolina. Angie was a 1972 graduate of Garinger High School in Charlotte, North Carolina. After graduation, she immediately entered the workforce. She began her career in property management, which led her to a long time career with the Prince George's County Housing Authority where she retired as a supervisor.

Angie was a fun-loving people person that never met a stranger. She loved and cared immensely about her family and friends. She was a woman of strong Christian faith, and enjoyed dedicating her time to bible study groups, fellowship and witnessing.

Angie's favorite pastime was reading. She enjoyed watching the Orioles, Maryland basketball and the Dallas Cowboys. She also looked forward to her yearly family beach vacations to the Carolinas. She had a lifelong love for pet dachshunds.

Angie led a simple but fulfilled life, always keeping her focus on family. She believed that the most meaningful moments weren't found in grand achievements, but in everyday time spent with the people she loved. Whether it was sharing meals, celebrating small milestones, or offering support during difficult times, family remained at the center of everything she did. Her dedication created a warm and steady home where love, kindness, and togetherness were always present.

Angie was a devoted Mimi to her three grandsons. She enjoyed going to the movies with Alex, talking with Ben about family history and attending his sporting events. She guided Camden through everyday life events.

I was very close to Angie. Angie became part of my family many years ago when my sister Nancy married Todd. Angie was always kind and supportive to me. I will miss Angie more than words can say. She will always live on in my heart.

Forever in our hearts ❤️. Very fond memories of Angie & Jim. What a wonderful couple. Will miss playing poker with Angie and Jim, Pam and Mike. Pool parties and cookouts. Angie said she could not swim. She always had a noodle and did not like the splashes. Me? I always complied. Personally? I think she just didn't want anyone mussing her hair! She was a mentor to me and a supervisor. Will always be in our hearts and minds. Patricia & Elrod.

A long time friend. Loved and will miss our poker fun with Angie, Jim, Mike and Pam. Such a fun couple and will miss the pool parties. Please do not splash Angie...she said she could not swim. She always had a noodle but I know Angie just didn't want anyone to muss her hair. I complied to her wishes. And now we all have one more Angel looking over us. Sweet dreams and forever love, Patricia & Elrod.

Laura Kimble lit a candle in honor of Angela.

Angie was an amazing women, who always had a smile on her face no matter what the circumstances. She was definitely larger than life and will be missed by anyone who knew her. I always enjoyed spending a week at the beach with Angie and her family, as well as the hanging out with her and the family at the many pool parties she hosted over the years. I look back on many fond memories that include not just Angie, but my dad and Jim as well. I will forever be grateful for Angie and Jim for allowing me the crash on their couch during my college days, so I didnt have to drive home after a late class. She was a wonderful women and I loved her like family. I am sending my heartfelt condolences to Jenny, Sam, and Jamie, as well as Todd, Nancy, and the rest of Angie's family. I hold you all in my thoughts and prayers during this difficult time. I love you all.
