I will miss my sister very much , she was a great sister and a very good friend. I will cherish many memories that I have of all the things we did together in our life together. I'm sorry that in the last few years that we didn't see each other more then we did and now I have to think of the things we could of done. She was a good wife, mother, sister and grandmother and we'll be missed by all the ones who loved her so much. I know that she has gone ahead to be with mom, dad, and Rick and one day I'll see all of them and we'll all be together again. My heart is so full of sorrow and I miss her so very much. She had so many friends and family that loved her so much and will miss her. She was taken way to young and had so much to live for family, friends, and especially her grandchildren. I will miss her the rest of my life and always cherish having her for a sister. Kenneth Lloyd Brother

I started my career at the old Safeway in 1995, Linda was one who helped to guide me and train me. I was fortunate enough to be transferred back to the store and work with her again. I shared one of my fondest memories with her daughter, Cher. I don't think I can post it, but it will make you laugh and cry at the same time. I knew her as a hard worker with a big heart. She always took the time to say hello and ask how I was doing. I will miss her and so will her extended family at Safeway. Tom Balch Assistant Manager Edgewater, Safeway

So sorry to hear about your loss of such a wonderful person Linda Carter. I started working with her 38 years ago when the old Edgewater Safeway opened. We had such a wonderful group of coworkers that would always get together and do fun things outside of work and Linda was one of those coworkers. She was so much fun and I still would see her in the new Edgewater Safeway and we would chat. I know she will be missed by all she showed so much compassionate to. Deepest Sympathy. Debbie Schools

We are so sorry for your loss. I will miss her dearly. She was such a sweetheart who loved her family, especially her grand kids. She was the best grandma and mother a daughter could ever ask for. she was also a very dedicated worker. I will never forget her goofy laugh, which I picked up after doing her hair. And those silly sweaters, and the funny stories of Hudson. She is in a better place now, may God rest her sweet sweet soul. I know she will be missed by all who knew her. Until we meet again Linda, rest in peace.

You were my Big Sister and you were the Best ! I remember sharing a room and sleeping together. When you went away to the hospital and how happy we were you finally came back home. The red tomato with all the autographs. Boyfriends and cramping your style, doing the twist, watching you get ready for the prom with your beehive hair, riding around in search of your beloved fountain coke... why because it tasted better than bottle... Ha Ha Your first job at the drug store waving good bye to you on the bus and waiting by the fence gate till you came home. You would always, always have candy or a gift bag for us. Later as Aunt Linda you would have a gift bag for my sons. That was just you always a giver ... always putting others before yourself. How you said I was the only one you would let call you "Lin" I will miss you... until I see you again on the other side. I love you Lin ... R. I. P.

Mom, I miss you so much and its only been a few days. I hope that I have the strength that you had to help me get through this. You were truly the best mother a person could ever have. I learned from you about how it does not matter what you have, but who you have to share it with. You were the most giving person I ever knew and you never asked for anything in return; except a hug and thank you. Learning from you has taught me to be a kind patient person and mother to my two amazing children. Hudson and Addison are so lucky to have had you in their lives. All of their memories are only the best, because that is what they thought of you. We love you and miss you so much and will never forget what you meant to us. Cher
