**Patty Morin** lit a candle in honor of Ashley.

When God calls children to dwell with him above,  
We mortals sometime question  
the wisdom of his love  
For no heartache compares with the death of one child  
Who does so much to make our world, seem wonderful and mild  
Perhaps God tires of  
calling the aged to his fold,  
So He picks a rosebud, before they can grow old.  
God knows how much we need them, and so he takes but a few  
To make the land of Heaven more beautiful  
to view.  
Believing this is difficult still somehow we must try,  
The saddest word mankind knows will  
always be "Goodbye."  
So when a lchild departs we who are left behind  
Must realize God loves  
children, Angels are hard to find.  
Spread your wings and fly Ashley Angel....
