“ Archie was a golf buddy and a garage buddy. Lois and I lived across the street from each other and when he and I were both diagnosed with cancer, we started sharing thoughts on life and experience. I always respected Archie a great deal and learned what a great administrator and American he was. We will miss him dearly.

“ Linda, I wrote out a message but I think I pressed the wrong button and it went into the great white cloud! Just know that we are waiting to watch Archie's Tribute and hope we hear about Archie's other life before retirement. I am sure it is impressive, as impressive as the man we knew here at Del Webb! What a blessing Archie was to us all!

With our love and God's blessings, Barry and Judy

“ Archie was our first friend in our new neighborhood, and welcomed us with warmth and help. He gave us furniture until the moving truck arrived, and drove us to Home Depot to make sure we got the RIGHT storm/screen door for the front of our house. He'll be remembered for celebrating our October birthdays, his unique one-handed chipping style from off the green (always effective!), "Archie's list" of new poker games for our Tuesday night poker club, but mostly for the true gentleman and friend that he was, and the cheerfulness and quit dignity he showed during his last months here with declining health. We've lost a wonderful friend, and our country has lost a patriotic and dedicated servant.

“ I met Archie during the summer of 1969 when I joined the RIANG. We both bonded quickly and that bond still remains to this day. We went with our wives to Las Vegas, we took several vacations together and also a winter cruise to the Caribbean. We attended there son's weddings as did they for our 2 sons. No matter where he was no matter what he was accomplishing we never didn't keep in touch. Iris and I have a void in our hearts and our lives without him. I was so proud when we went to his ceremony when he was promoted to Major General. In early March of this year my youngest son Eric and I drove to see him in Annapolis knowing it would be our final goodbye in person.
