“ Harold was a wonderful person .He and I used to discuss the Dodgers and Redskins at our monthly BHS luncheons near Annapolis. His knowledge of professional sports was outstanding. He always was in good humor and a delight to be around. Our reunions and social affairs will never be the same without him.

“ We only knew him as “Will” always accompanied by his “Libby”. Will was the most positive person we’ve ever know. He only had kind words and friendly greetings for all he encountered. Your Ocean City neighbors and friends will miss you very much. Our Thoughts and Prayers are with you Libby and your entire Family.

“ Harold was such a special guy who could make you feel like you were the best friend he ever had. As many have said, always a kind word for everyone, very caring, and always concerned about how you were doing, and how was your family. We're all devastated by his passing. He will be sorely missed. Praying for comfort and peace for Libby and their family.

“ For close to 20 years, Harold was always a wonderful neighbor in our Broadview community. We enjoyed connecting with him on his walks with Libby or with his dogs, both boxers. He was affable, funny, positive, and interested in everyone's life. Always had a smile and a kind word and lightened up the day. He will be sorely missed!!

“ Harold was truly a good friend to me over the years...going back to the days of Bladensburg Jr. High and all through high school, whether it was in the gym, on the football field, or at the Mighty Mo. The best times of all were when we all got together for dinners or lunch dates and shared old memories and had a lot of laughs and fun together. Diane and I will miss those times. Rest well my friend. Our thoughts and prayers go out to Libby and the rest of the family.
