

## Jacqueline Shreve Bohanan

May 3, 1943 - July 24, 2020

On Friday evening, July 24, 2020, Jacqueline Shreve Bohanan, who was dearly beloved by her husband James K. Bohanan III of 58 years and her two sons and her two daughters-in-law and her five grandchildren and by many friends passed from this life to the next to be with Our Lord.

Her elder son is James Kezar IV Hayes-Bohanan, married to Pamela Annette, formerly of Catonsville. They reside in Bridgewater, Massachusetts. Their sole child is Harvey Kezar Hayes (22), currently of Chicago and married to Lia Call.

Her younger son is Robert Keith Bohanan, married to Teresa Dillon Bohanan of Arnold and currently residing in Arnold. Their children (all of whom are single) are Brittainy Dillon (28), Christian Ryan (25), James Robert (23), and Taylor Laine (21). All four have the last name Bohanan. All nine were dearly loved and adored by their mother, mother-in-law, and grandmother, as was her husband.

Parents of their loving daughter were Thomas Keith Shreve, formerly of Arlington, Virginia and Sarah Pearl Shreve (née Holcombe), formerly of Madison County, North Carolina. But the apple of her eye was her grandmother Lydia Banks Holcombe (formerly of Canton, North Carolina). Though Jackie was raised in Arlington and Herndon, Virginia she always considered the farm of her maternal grandparents in Caruso, near Canton, North Carolina as home, always and throughout her whole life.

She was predeceased by two brothers, Thomas Keith Shreve, Jr. and his wife Barbara and Charles Bradley Shreve, his wife Alma and his wife Jeannie. Jackie and Jim considered Jeannie as a gift from God. Both brothers were U.S. Navy veterans.

As an adult she lived in various places including Charlottesville and Nokesville, Virginia, Kansas City, Missouri, and Annapolis, but Haywood County North Carolina was always home.

Through her sons and grandchildren she became an avid fan of young people's sports, from preschool into college age.

She loved to travel. Some of her favorite places were Denver, Niagara Falls Canada and USA, Nags Head and Cherokee North Carolina, Los Vegas, Williamsburg, New Orleans, Nashville, the cranberry bogs section of Massachusetts, New York City, and many places in between. A highlight was the Petrified Forest in Arizona.

She had many friends that she treasured and stayed in touch with from high school to retirement. She loved her jobs at the headquarters of the Fellowship of Christian Athletes in Kansas City and MAIF here in Annapolis, where she retired with 27 years of service at the end of June 2013. She graduated from Herndon High School in 1962 and earned a certificate of LPN Nursing at Anne Arundel Community College in the 1980s. While in Kansas City, she attended night classes designed for pastor's wives at the Midwestern Baptist Theological Seminary for three years. Though raised a Methodist, she joined the Oak Dale Baptist Church in Nokesville, Virginia. She served as the pastor's wife at the Van Buren Street Baptist Church in Annapolis from July 1980 to February 1986. She spent a lifetime completing the raising and domesticating of her husband, which he appreciates very much. She had a full and happy life full of friendships and love.

“ Jackie was so warm and caring, and I am grateful to count her as part of the family. She came all the way out to Arizona for my wedding, and that meant a lot. Her impact and love will last for generations.

“ I worked with Jackie at MAIF for 13 years and our friendship grew. She was so good at her job and you never had to worry about things going wrong when Jackie was on board. She took pride in doing things right and everyone benefited from her efforts. When I retired from MAIF a number of years ago we lost touch but when the tragic death of my son Mark Peabody was printed on the front page of the Capital, Jackie promptly appeared at my front door and wrapped me in her arms. I will never forget that and will cherish her memory always. My heartfelt sympathy goes out to her wonderful husband and her family. She was so proud of you all. I wish I could wrap my arms around you.

“ I will truly miss my friend, Jackie. We went through elementary and high school together. She was always there if you were in need of a word of comfort or just someone to talk to. She kept in touch with everyone and always wanted to know what was going on with us. She was involved with her Herndon High classmates and very active in making our reunions a success. We laughed a lot when we got together with fellow classmates for the reunion meetings and she looked forward to yearly lunch gatherings in Herndon. She was the most caring and thoughtful person in reaching out to others, I will miss her calls and hearing her voice . My prayers and thoughts go out to Jim and his family.

“ Dear Jim and family,  
I am so very sorry for your loss. Jackie was one of the most caring and kind individuals I know. I spoke with her several weeks ago before she passed away and she knew it would probably be our last conversation...I am so glad I had the chance to let her know how much she meant to so many who knew her. May she Rest In Peace with the Lord and May God bless you all.

“ Jackie was a good friend at work and after we retired. She was caring, kind and always pleasant to be around. I remember telling her once that I had never been to a casino. She surprised me one evening after work and we went to Dover Downs. It didn't take long to go through \$20.00. But, we had a great time. Jackie loved her family and was very proud of her grandchildren. She always had time to talk about how they were doing. She called me while she was in hospice just about everyday and said she just wanted to hear my voice. I wish I could hear hers now. I will always value our friendship. Heaven has a new angel. God Bless.

“ Jackie enjoyed staying in touch with all of her HHS friends and was always interested in knowing how her friends were doing. I enjoyed our phone calls and will miss her stories; she was a loving and caring friend and I will miss her. Sending love to Jim and the family.

“ Our deepest sympathy. We shared many happy memories with Jackie, my sister in law. She was generous and always loved to help others. She deeply loved her family. In earlier years, Jimmy and Jackie loved to travel and she always enjoyed sharing the photos of where they had been. We hate that we cannot be there at this difficult time. She is loved and will be missed.

“ My cousin Jackie was such a kind and generous person! Throughout the years she was always trying to improve my cooking skills, even giving me recipes when she was in hospice care. Family was always first for her and I feel fortunate to be her cousin. She is loved and will be very much missed. I wish her peace and God's love now that she is with her heavy family.
