

Janet Lorraine Argent

April 26, 1940 - September 24, 2020

Janet Lorraine Brady-Argent of Davidsonville, MD passed away on September 24th, 2020 surrounded by her loving family, peacefully in her home after many years of battling Parkinson's Disease.

Born April 26th, 1940 in Glenn Dale, MD, she was the daughter of the late Martha Duley-Turner and Jesse Brady. She is preceded by her sister Ann Brady (Bishop) and survived by her beloved brothers Donald and Gene Brady. Janet was a graduate of Bladensburg High school, Class of 1958. As quoted in her 1958 highschool yearbook, she should be remembered as "pretty to walk with and witty to talk with." She met her loving husband, Lee Argent, and married in 1960. They moved to Davidsonville, MD in 1972 where they raised their family and established and enjoyed their blessed farm life.

She was employed by the US Department of Customs as a young adult, and after moving to Davidsonville, MD she became a bus driver for the Holy Trinity Church of Bowie for a short time until she established her career as a secretary for the Anne Arundel County Board of Education and later with Davidsonville Elementary where she worked until her well-deserved retirement.

Janet was a devout christian and an active member at Davidsonville United Methodist Church where she taught Sunday school, sang in the choir, and made many loyal friendships that survive her memory. Janet loved her farm and all the animals that come with it. She was an established equestrian with an admiration for Tennessee Walking horses and participated in many parades and fairground events in her adult life. In addition to her love of horses, Janet was passionate about music. As a part of multiple bluegrass bands, the Shady Side Sour Notes and the Chesapeake Pickers, where she was a singer and guitar player with her husband Lee and other band members that shared their joy of music with any crowd that would listen. Above all of these wonderful things, she was a devoted wife, mother, aunt, grandmother, and great grandmother to her family and a strong-willed, kind-hearted, open-ear to any who needed it.

Janet is survived by her husband, Leonard A. Argent, after 60 beautiful years of marriage, her daughter Lorrie and son-in-law John Shymansky and son Allen and daughter-in-law Julie Argent, her grandchildren John, Tyler, Brady, Jenna, Matthew and great-grandchildren Callie, Carter, Kynlee, and Aurora.

A family celebration of life will be held at a later date. At this time, condolences can be best shared through donations to the Parkinson's Organization at <https://www.parkinson.org>

“ My husband was diagnosed of Parkinsons disease 2 years ago, when he was 59. He had a stooped posture, tremors, right arm does not move and also a pulsating feeling in his body. He was placed on Senemet for 8 months and then Siferol was introduced and replaced the Senemet, during this time span he was also diagnosed with dementia. He started having hallucinations, lost touch with. Suspecting it was the medication I took him off the Siferol (with the doctor’s knowledge) him on PD natural herbal formula we ordered from TREE OF LIFE HEALTH CLINIC, his symptoms totally declined over a 3 weeks use of the TREE OF LIFE HEALTH Parkinson’s disease natural herbal formula. He is now almost 61 and doing very well, the disease is totally reversed! (w w w. treeoflifeherbalclinic .com)

“ Dear Lee, I send you and your family my condolences at this sad, heavy time. May the memories of the good times you shared together ease the loss you feel. Your wife was a lovely person and as one who met you through the Parkinson’s group in Bowie (and also has Parkinson’s, and cared for my husband over many years before he died of cancer), I know the caretaker role was not always easy. Know that Janet was really appreciative of all your love and support.

Best, Joan Zorza

“ I met Janet in 1976 at a meeting we both attended. It was my first time at that meeting, but she was a regular. I remember being impressed by her wisdom and compassion for others. In addition she made me laugh. After that meeting I was pleased to have many private conversations with her. I believe she was a gift to me from God to steer me through a tough time in my life. I have never forgotten her.

“ Janet Lorraine Argent, my dear sweet friend, we have so many amazing memories. You will always live in my memories and in my heart. I love you and have loved you forever. We were not biological sisters but we were Irish sisters. We have laughed, cried, danced, prayed and sang songs. We walked on the beach. We celebrated many St. Patrick’s Days together and enjoyed an Irish Coffee. We enjoyed our children, our families. I know you are singing in the choir now and making everyone laugh. I will always miss and love you.

“ I met Janet many years ago when we both were employed at the AA Co Board of Education. She was a dedicated secretary and was always very pleasant. She loved to talk about the farm and her animals, especially the horses. I thought of her often after her retirement. May she rest in loving peace.

Sincerely,
Ramona Green Long
