“ Sorry for your loss. Kelly was such a great friend. My favorite memory with her was when we went to Applebee's and the dollar store in Annapolis and I got to push her in the wheelchair. She had a really beautiful smile. She was happy all the time. Laura Cefaratti and I miss her at OBI. Melanie Lynn Fluck

“ Mark, Kathy, Brian and Meghan,

We were so sorry to hear of your loss. When we lose someone, there is always a void in our lives. We pray that the Spirit and our Blessed Mother bring comfort to you and that the lovely memories of Kelly help to fill that void. I don't think that I ever saw Kelly, when she wasn't smiling. Being blessed to have Kelly as your daughter was an extraordinary gift for you, just as being blessed for Kelly to be part of your family was an extraordinary gift for her.

God bless you. Love, Pam and John Bukowski and Family

“ To the Powell family,
What a wonderful gift Kelly was for your family. I will always remember my mom trying to teach her to say "mom" when she watched her as a toddler. She certainly has brought much joy into all of the lives that she touched. I know it will be difficult without her, but she is free of all her disabilities and will watch over all of you forever.

“ Kathy & Mark,

I was so sorry to hear of Kelly's death. I remember well our physical therapy sessions when Kelly was a baby. She was a beautiful little girl with such a wonderful personality even back then. And I remember how she loved when you sang "her song" which always made her smile. Kelly Belly will always remain in my heart.

“ Dear family,
I am so sorry about your loss. I know this is a difficult time for you. I wanted to give you some comfort from the Bible. A lot of people want to know if there is any hope for their dead loved ones. The Bible teaches us that most people who have died will be resurrected. Jesus promised us in John 5:28,29

“ Kathy and Mark-

I didn't have the pleasure of meeting Kelly. It is obvious by how you described her, and how your faces lit up as you told stories about her, that she was a blessed and special young lady. We are reminded too often that life is fleeting, live and love while we are all here, and know that someday you will see all of your loved ones again.

“ Dearest Kathy, Mark and family,

We are so sorry to hear of your loss of Kelly. All of you gave her a loving, wonderful life. We also know you were so proud of her and her many accomplishments. She was born to be a beautiful, cheerful, loving Angel among us. It was her gift to the world. Her spirit was a beautiful one. In your incomprehensible grief, may you find comfort in knowing that she now has freedom and a gentle peace as an Angel with God. Prayer to all of you during this difficult time. “ Mr. & Mrs. Powell,
Kelly will forever be remembered by me and many at OBI for her bright smile and sense of humor. She made me laugh on a regular basis, in fact I don't remember her ever being sad! If we could all have Kelly's positive attitude and outlook on things - the world would certainly be a better place. I will miss Kelly a great deal, and am a better person for having known her. She was such a wonderful person to be around, and I am so glad that I had the past few years with her. I am so sorry for your loss, but know that Kelly's life touch many of us who are left here grieving for her.

“ Mrs. Powell (and Family), I don't even know if you remember me, but I worked with you at Lansdowne Elementary School when my daughter, Michele Carver (Haun), was in 1st and 2nd grade. It was during the time you were pregnant with Kelly. I remember when Kelly was born and the heartache you were going through. I've thought about you and Kelly, often, and wondered how things were going. I just wanted to write to let you know how sorry I am to hear about your loss! From what I've read, it sounds like Kelly grew up to be a wonderful person and a role model for others who are struggling. I also know she had a lot of family love and support throughout the years. We had prayer for you and your family this morning and we will continue to pray as you go through the grieving process. If there's anything at all that we can do for you, please let us know.
