“ Skippy, blessings to a long journey of life. We use to meet every other day at the SECU, Riva Rd, Ann.MD. We shared many conversations, laughs and family views. He always shared kind words about his daughter. Skippy was such a gentle soul as he moved slowly down the sidewalk into the Credit Union. He would turn around and say "That was a nice hug cuz". Your soul is now anchored with the Lord. Rest In Peace!

“ Mr Skippy would sometimes be the only man going out to eat with the church women but that didn't matter to him because he would always say " I'm going to eat". He always loved hanging out with his church family. Mr Skippy will be missed . He always had his favorite seat in the back of church. Rest on Mr Skippy until we meet again. You fought a good fight.
