“ I would not be alive if not for Steve Goins. He was a great friend during a critical part of my life and helped make me the man I am. I remember his humor and smoking cigars. I remember waiting out 9-11 in his living room, all of us scared of what the bombing actually meant. Of course, there were many baseball games, too, mostly in DC, but also one epic road trip. Anina, my thoughts are with you and the family. He was a great soul.
